

MULTISTATE TAX COMMISSION

To Members of the Uniformity Committee, Digital Products Work Group, and Members of the Public:

The next regularly scheduled digital products work group call is Thursday, October 3, 2024 at 11:00 AM Eastern. The agenda for the meeting is below and also on the [project webpage](#).

On the last call, the work group discussed the possibility of setting up study groups to walk through examples of bundled transactions including digital products to see how the existing framework of state rules may apply to those examples and also to begin to discuss a set of broad definitions for digital products. MTC staff circulated a survey asking the work group participants to weigh in on these study groups and will report the results. Also, staff will report the progress on a draft of the section of the proposed white paper on bundling and can review other developments.
