

Tax Specialist, Multistate Tax Commission

The tax specialist will work under the direction of the MTC's uniformity counsel and support both MTC staff and our state members with advanced tax research and analysis, mainly focusing on complex business tax issues, including state, federal, and international tax issues involving large, complex, multi-national businesses, especially pass-throughs. The tax specialist may also participate in making presentations and in training staff and member states.

Those applying for this position should provide information on the following skills and experience:

- Tax research including for all state, federal, and international tax issues involving tax on business income;
- Audit or audit administration especially in the context of large, complex businesses;
- Drafting of tax legislation or regulations and/or providing analysis of tax law and regulations for lawmakers or administrators; and
- Training of tax administrators—including audit staff, legal staff, and/or others.

Minimum qualifications are:

- Advanced study or degree focusing on taxation including Masters, LL.M, or other specialization.
- At least 10 years' experience in tax administration generally which may include both state and federal experience and may also include audit, litigation, policy, or related roles.

This position is full-time.

The MTC is located at 444 North Capitol Street, N.W., Washington, D.C. The MTC is flexible with respect to work location, though employees residing in the Washington, D.C., metropolitan area are expected to be in the office at least two full days per week. Applicants should specify their expectations with respect to work location in their cover letter.

The salary will be based on experience, with a starting amount of approximately \$85,000 – 90,000. Benefits include 100% paid individual medical, dental, and vision insurance and a defined contribution plan.

A cover letter and resume (PDF format preferred) should be sent via e-mail to cbarber@mtc.gov no later than February 15, 2025. The applicant receiving an offer will undergo a background check before hiring. For more information about the Commission, please visit our website at www.mtc.gov.

The Multistate Tax Commission is an intergovernmental state tax agency headquartered in Washington, D.C., whose mission is to achieve fairness by promoting compliance and consistent tax policy and practice, and to preserve the sovereignty of state and local governments over their tax systems. Founded in 1967, the Commission is a multi-million-dollar operation with approximately 45 employees.
