Grand Junction	State	080018				

SUTS BU Exit Previous

This registration form allows you to register for tax remittance to the Colorado Department of Revenue including jurisdictions. The purpose of this registration form is to ensure that all participating jurisdictions, including your Department of Revenue, have the BEST CONTACT INFORMATION to reach this corporate entity should there be an issue with registration or future remittances.

Please make every effort to provide the best possible contact information so that jurisdictions can most efficiently register or future remittances.

2025 Functionality Study

Goals

- Identify functionality gaps;
- Determine system and user requirements;
- Evaluate proposed solutions to increase taxpayer use;
- Recommend solutions to the Task Force;
- Estimate cost

Strategic Themes

- Account setup and maintenance;
- General filing process;
- Zero returns and nonfiler procedures;
- Payments; and
- Integrations and filing services.

Key Recommendations

- Improve the accuracy of local account numbers.
- Improve the structure of the spreadsheet.
- Automate zero returns and allow cities to toggle download.
- Limit payment rejection.
- Continue investigating ways to improve settlement timeframes.
