

MULTISTATE TAX COMMISSION

To Members of the Uniformity Committee, Digital
Products Work Group,
and Members of the Public:

This is a reminder that the MTC Digital Products work group call is tomorrow, Thursday, January 8, 2026, at 11:00 AM Eastern. The agenda is below and on the project webpage [HERE](#) along with slides for the call.

At this point, the work group is interested in any input from tax administrators, practitioners, and taxpayers as to whether common exclusions and exemptions can be adapted to digital products and whether this will present any unique issues that should be considered. The work group is also interested in how a broad exemption for business purchases might be best administered.
