

## **Model Receipts Sourcing Regulation Review Work Group**

April 1, 2026 meeting

### Meeting Notes

Work Group chair Katie Frank (CA) opened the meeting and invited members of the public to offer comments. No comments were made. She then asked MTC staff to describe the most recent draft of revisions to the MTC's Special Industry Regulation for Broadcasting, Reg. IV.18(h) (which had previously been posted on the Work Group's project page).

MTC Senior Counsel Brian Hamer described the draft (dated Mar. 26, 2026), which had been the subject of discussion at the prior work group meeting, and explained how it differed from the original draft prepared by staff.

Michael Fatele (MA) proposed a couple of edits. No objections were raised to his suggestions.

Following consideration of Mr. Fatele's edits, the chair asked if there were any further comments on the proposal. No comments were offered.

The chair then asked if there were any objections to advancing the proposed revisions to the Uniformity Committee for its consideration. When no one objected, she announced that the proposed revisions, including the changes tendered by Mr. Fatele, would be submitted to the Uniformity Committee.

Brian Hamer noted that the Uniformity Committee will be meeting next on April 1. The chair stated that additional comments could be submitted in the weeks again to staff at [bhamer@mtc.gov](mailto:bhamer@mtc.gov).

The meeting adjourned shortly thereafter.
